

## Student Life

- DSVV caters to all aspects of students' development – academic, cultural, social and spiritual
- The ultimate objective of the students at DSVV is not to increase their financial capacity, but to mould themselves into responsible citizens, who can contribute to the development of a just and prosperous society
- The students observe a healthy, simple lifestyle with focus on ancient Indian cultural values; yog, yagya, collective prayer and meditation are integrated into their daily routine
- DSVV students have bagged several awards at the national level in competitions in Yog and various other fields
- 'Earn While Learn' scheme is run through 'SRIJNA', where students can both develop their creative talents and earn also
- Cultural Cell, Student Welfare Cell, Training Cell and Placement Cell etc. provide additional support for the social and professional development of the students
- Well equipped Polyclinic and Dispensary look after the health needs

## Internship and Social Service

- One of the distinguishing features of DSVV education is the Internship Program in which students are sent for two months in various parts of the country to offer social service in the fields of health, education, ancient Indian therapies, and related areas.
- DSVV conducts 'Yog and Life Management Camps' for the personnel in the Indian Army and Police Services. More than 50,000 personnel have been trained so far.
- DSVV conducts 45 day training courses on 'Self-Reliance and Rural Development' and sends the participants for a mandatory internship of 3 months in villages all over India.
- Divine India Youth Association (DIYA) is a youth movement run by DSVV that is inspiring millions of youth to live an ideal life and practice spiritual penance for holistic development. Many youth, including those from the corporate world, management, engineers and doctors have been made to realize that social service can be adopted as a respectable career in which the three benefits of self-content, respect in the society and divine blessings can be attained simultaneously.

There is a need for an educational institution which can mould its students into noble, enlightened, selfless, warm-hearted, compassionate and kind human beings.

- Pt. Shriram Sharma Acharya

Dev Sanskriti Vishwavidyalaya (DSVV) is a unique University that is focused on inculcating divine virtues in human beings. It is an outcome of the divine vision of noted saint-scholar-philosopher Yugrishi Pandit Shriram Sharma Acharya (1911-1990), the founder of All World Gayatri Pariwar (www.awgp.org). Born out of a unique vision of Yugrishi, the University molds its students into noble and enlightened human beings: selfless, warm-hearted, compassionate and kind individuals. Along with an excellent domain focused approach, sectoral excellence and a widely knitted outreach connect, we try to build individuals with Spirituality as their locus of control and help them excel holistically through our meticulously designed curriculums and dedicated faculty. The lush green 86 acres campus located at the lap of Great Himalayas and the bank of river Ganga, offers a truly spiritual ambience for developing individuals of the highest caliber.

## The mission

- To unite contemporary education with spiritual training
- To cultivate holistically developed, competent and personally uplifted graduates who have a science based understanding and experience of spiritual transformation and a powerful drive to use their gifts to promote the greater good of society
- Inspiring the leaders of tomorrow to be compassionate, just and kind”

## Vision Statement

“To create Stalwarts with strong Character, Commitment, Courage, Compassion & Competence who excel in all walks of life & through their discriminatory wisdom create opportunities of holistic development for themselves and society.”

## About Us

- The foundation was laid in 1999 under the flagship of the mother institution, Shantikunj, headquarter of All World Gayatri Pariwar

## The DSVV Distinction

With the hasty and unidimensional growth in science & technology, the quality of human personality has deteriorated considerably. On the name of economic development, the cultural & human values have come to stake.

Keeping this in purview, DSVV offers the following distinctive features...

- Traditional invocation of students at the beginning of each semester through ‘Gyan Deeksha Ceremony’
- 1:8 faculty student ratio; rare to find
- Unmatchable opportunity to learn life management through the Geeta and meditation classes of Honorable Chancellor, Dr. Pranay Pandya
- Special emphasis on entrepreneurial courses
- Assisting & training students on research and placements
- Library enriched with erudite researches and journals. It offers knowledge bank of over 37,000 books and journals
- 3 dimensional internship model for self refinement, professional training and social upliftment
- Over 1000 groups of students have rekindled the spirit of nationality among the youth of the nation through the uniquely designed and executed internship process
- International journal covering the facets of Indian culture being researched by erudite scholars and professors
- Training in Waste Management, Paper recycle, Khadi and Cow products has been imparted to thousands all across the nation over the last decade
- Distance mode correspondence facility is also available. Over 8000 students have been benefitted in the last 5 years
- Alternative system of medicine is being practiced for treating patients and help them recover fast.
- Faculty and staff work on the unique principle of Time Donation while taking minimal support from the University
- Well equipped laboratories such as Computer Labs, Clinical Psychology Lab, Polyclinic for Ancient Indian Therapies, Astronomical Measurements, Herbal Garden, etc.
